

Fruit Basket In Your State

Researcher (2)

Make a list of the fruits and vegetables grown in your state.

Write down where they are grown. Are they grown near the mountains, the desert, or the coastline?

Cartographer (2)

Draw your state on the poster board. Draw symbols for the natural features - mountains, coastline, lakes, major rivers, forests, and deserts.

Add a compass rose to your map.

Agriculture Expert (2)

Draw the symbols to show where produce is grown in the state. If blueberries are grown in your state, draw a picture of a blueberry where they grow.

Add a star where the capital is located for your state.

Whole Group

Add a map legend to explain what the symbols mean.

Color the map.
